**LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
ARD No. 2003-003**

Dear Mr. Cash

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), has reviewed the actions taken by Huggins Hospital in response to Letter of Deficiency ARD No. 2003-003 ("LOD"). DES has determined that the specific issues addressed in the LOD have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution. Based upon DES's determination that compliance with the LOD has been achieved, DES issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of Huggins Hospital. This letter does not provide relief against any existing or future violations, and refers only to the compliance issues addressed in the LOD. It is important that Huggins Hospital be aware of and complies with the requirements of State Operating Permit FP-S-0025 ("the Permit") issued to Huggins Hospital on October 10, 2002. Please feel free to contact DES should you have any questions regarding compliance with the terms and conditions of the Permit. In addition, Huggins Hospital stated in its letter dated March 10, 2003, submitted in response to the LOD, that it believes it is exempt from the requirements for NO_x recordkeeping and reporting. Please note that Conditions VIII.D and IX.B of the Permit require Huggins Hospital to comply with Env-A 905.02, *General NO_x Recordkeeping* and Env-A 909, *NO_x Emission Statements Reporting Requirements*, respectively.

DES recognizes the efforts that Huggins Hospital has taken to come into compliance. If you have any questions regarding this Letter of Compliance, please contact Raymond Walters, Compliance Bureau, Air Resources Division, at (603) 271-6288. Thank you for your cooperation.

Sincerely,
